

EfficientLights | Vapor-Tight LED Fixture

Vapor-Tight Light Fixture

Product Description: This is a maintenance free, vapor-tight LED fixture constructed with a weather resistant fiberglass housing. It has superior, acrylic lense optics with hinged latching for installation convenience.

Applications: The fixture is a horizontal refrigerated case luminaire, ideal for walk-in coolers and freezers with instant on/off and a side knock-out to help prevent moisture from entering the fixture. The 4 ft. version is ideal for parking garages.

Performance Summary: Rated for operation down to -30°C | NSF / ANSI 2 rated | ETL listed to UL Standard | Tested to IESNA LM79 & LM80 standards | IP67 rated | Wet and wash rated | DesignLights Consortium® Certification (DLC)

Voltage: 120 - 277v

CCT: 4000K

Weight: 2 ft. = 4 lb., 4 ft. = 8 lb.

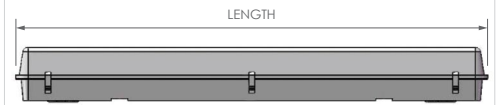

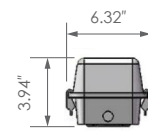

Power Factor: >0.92

Life: 50,000 hrs

Warranty: 5 Year Limited Warranty
